

Export/Import Certificate (EIC)

The Women Traders in the African Continental Free Trade Area (AfCFTA), a partnership formed by ICC, TRALAC, UPS, and West Blue Consulting are pleased to open the applications for 10 scholarships for ICC Academy's Export/Import Certificate (EIC) to SMEs and entrepreneurs in Africa.

The EIC programme is designed for anyone working within export and import that wants a more holistic and big-picture knowledge of international trade. You will get a clear understanding of the key techniques required to conduct trade with ease and expertise.

CRITERIA

To qualify for an ICC Academy Scholarship, you must provide evidence of a sustained interest in Export/Import. E.g. you already have a career or job in that field, or you have completed other studies on the same subject.

As part of the scholarship process, you will also agree in advance to:

1. ICC Academy scholarship students agree to complete a written and/or video interview about their experiences studying for an ICC Academy certificate. The content of the interview may be shared publicly with the ICC network
2. ICC Academy scholarship students agree to become ICC Academy ambassadors by answering fellow students' questions over email and in our course-specific LinkedIn community groups
3. ICC Academy scholarship students agree to publicly share details of any career advancement that results from completing an ICC Academy certificate with the ICC network.
4. ICC Academy scholarship students agree to provide a recent, high-quality digital photo of themselves that may be used in ICC Academy marketing materials

To note:

1. This is a 100% scholarship
2. The validity period for completion of the programme is 6 months
3. Priority will be given to women studying or trading in or with the African Continental Free Trade Area
